Provide a detailed description of the Threat: (attach other supporting documentation)

At approximately 1150-1205 hours on 02/05/2016, Mike Williams observed a Grey Jeep Grand Cherokee at side of the Main Gate. The vehicle turned around to start out. The subject in the vehicle appeared to be taking pictures. Mike proceeded towards the gate in his vehicle and the suspect vehicle was already gone when he arrived. Mike notified Garrett Fleming (FSO) at approximately 1210 Hours.

Description of Person: White Male mid 50's; Greyish Hair.

Security CCTV camera system did capture close-up stills of suspect and partial License Plate on the suspect vehicle.

Response Actions: (attach other supporting documentation)
