EnLink Midstream, Bells Run Station  
Attn: Garrett Fleming  
2017 State Route 821 Box 21A  
Marietta, OH 45750

Dear Mr. Fleming:

The Facility Security Plan (FSP) for EnLink Midstream, Bells Run Station submitted pursuant to the requirements of Title 33 Code of Federal Regulations (CFR) Part 105, is approved.

Commencing from the date of this letter, EnLink Midstream, Bells Run Station must operate in compliance with this approved security plan and any additional requirements contained in 33 CFR Part 105. Your facility is subject to inspections at any time by Coast Guard personnel to verify compliance with your security plan. Failure to comply with the requirements of 33 CFR Part 105, including those as outlined in your FSP, may result in suspension or revocation of this security plan approval, thereby making this facility ineligible to operate in, on, under, or adjacent to waters subject to the jurisdiction of the United States in accordance with 46 USC 70103(c)(5). Your FSP is Sensitive Security Information and must be protected in accordance with 49 CFR Part 1520. A copy of your security plan and any amendments must also be made available to Coast Guard personnel upon request.

This approval will remain valid until five years from the date of this letter unless rescinded in writing by this office. You must review your plans annually and submit any amendments to this office for re-approval as required by Title 33, CFR 105.410 and 105.415. Keep a copy of this letter with the security plan.

Please ensure that all parties with responsibilities under these plans are familiar with the procedures and requirements contained therein. If you have any questions, please contact Marine Safety Unit Huntington's Facilities Branch at (304) 733-0198 or email at [STL-PF-MSUHUNTINGTON-Facilities@uscg.mil](mailto:STL-PF-MSUHUNTINGTON-Facilities@uscg.mil).

Sincerely,

A handwritten signature in black ink that reads "P. J. Mangini, CDR, USCG".
