

National Preparedness Response Exercise Program (PREP) Log

EnLink Bells Run Facility, New Port Ohio

Exercise Type:	Frequency:	Participants:
Qualified Individual Notification	Quarterly	Facility Personnel & QI*
Spill Management Team Tabletop	Annually	SMT outlined in Response Plan**
Equipment Deployment	Annually	Contracted OSRO***

* Annually, one QI notification exercise must be conducted during non-business hours.

** Triennially, one SMT Tabletop exercise must include a worst-case discharge scenario.

*** OSRO does not have to deploy equipment on-site to satisfy this requirement.

Note: Annually, a facility must conduct one unannounced exercise. An unannounced Spill Management Team Tabletop or Equipment Deployment Exercise will satisfy this requirement.
